Florida KidCare

COMPREHENSIVE CHILD-CENTERED HEALTH AND DENTAL INSURANCE

Approximately 2.5 million Florida children rely on Florida KidCare for the head to toe coverage they need. But for us it's not just about the numbers, it's about the real people whose lives are made better through access to quality, affordable healthcare. We're insurance with a lot of heart.

COVERAGE FOR CHILDREN

Florida children from birth through age 18 are eligible for coverage. It is free to apply and only one application is needed per family. With year-round enrollment, the time to apply is always now. Apply online at floridakidcare.org or call 1-888-540-KIDS (5437). Florida KidCare does the rest. Based on the age of the child, household size, and family income, we automatically match each child with the best fit of the four Florida KidCare programs – Medicaid, MediKids, Florida Healthy Kids, or the Children's Medical Services Managed Care Plan. It's that easy!

Lawfully residing immigrant children are eligible for Florida KidCare without a waiting period, and parent immigration status will never be asked.

FREE OR LOW-COST FOR MOST FAMILIES

Florida KidCare includes free, subsidized and full-pay options based on family income. Most families pay nothing at all, and many pay as little as just \$15 or \$20 a month for all children in the household. Families who do not qualify for free or subsidized coverage may purchase a competitively priced full-pay plan.
